Subject: DTLA Underpasses

Hi Jackie,

We're submitting a letter to City Council asking them to design and implement a regular cleanup schedule for underpasses in and around Downtown Los Angeles. As part of that ask, we're urging them coordinate with the State Government and Caltrans – here's a copy of our letter just in case that request finds its way to you.

It's pretty straightforward, but let me know if you have any questions. Hope all is well!
